## Strategic Plan Work to Begin for the Novato Unified School District

(Novato, CA)... The Novato Unified School District announced that it is developing a new strategic plan to guide the district over the next few years. A Task Force comprised of community members, parents, and staff will meet for two days (January 25 and February 1) to review background material and make recommendations. The documents and websites being reviewed by the Task Force can be found on the NUSD website, School Board/Strategic Plan. The district writing team will prepare the vision, mission, core values/beliefs, strategic goals, initiatives, and indicators of progress to be presented to the Board of Trustees for their approval later this spring.

The community is invited to review these documents and submit comments to [strategicplan@nUSD.org](mailto:strategicplan@nUSD.org). The comments will be reviewed by the Strategic Plan Task Force and the Board of Trustees.
