12. STAFF REPORT - 7:25 p.m.

12.a. 2016-2017 Staffing Update

Kris Cosca, Assistant Superintendent, Human Resources, reported on 2016-2017 staffing. To date fifty-four (54) certificated teachers have been hired, thirteen (13)

elementary teachers, nine (9) middle school teachers, twenty (20) high school teachers, nine (9) Special Education employees, a new Novato High School Assistant Principal, a new Assistant Superintendent, Education Services, and a new Assistant Superintendent, Business & Operations. Interviews are scheduled for a second grade teacher, Special Day Class teacher, two .6 Special Education positions, and for a Spanish teacher at San Marin High School. There are Psychologist and Speech Language Pathologist vacancies. All math classes are covered to begin school.

As staffing is a result of enrollment, the projected enrollment was 7,528 and as of August 8 the enrollment was 7,604 which is 75 students over projection. A couple of teaching positions have been added at Hamilton and San Ramon schools. Office Managers will be providing daily enrollment updates for the first weeks of school to get accurate enrollment numbers.

12.b. Progress Report on the San Marin High School Stadium Lights Project and the California Environmental Quality Act, Notice of Preparation and Initial Study - 7:40 p.m.

Jim Hogeboom, Superintendent, reported on the San Marin High School Stadium Lights Project and the California Environmental Quality Act, Notice of Preparation and Initial Study. The impetus for consideration of lights on the San Marin High School football field came from San Marin students, parents and athletic boosters last year, and was highlighted by a petition signed by over 1,000 people who stated their support for the idea of lights on the field. Momentum for the idea grew on the campus and as well as with the athletic boosters, who saw the lights as a way to build school spirit and excitement around Friday Night Football games. In addition, lights on the football field would also provide a way to increase practice time for other sports including soccer and lacrosse, which at present is severely limited during the winter months. Supporters approached the district last October to ask about the process needed to bring the idea to the Board of Trustees. The Board of Trustees considered a motion on April 5 to hire a consultant to prepare a California Environmental Quality Act (CEQA) Environmental Impact Report (EIR) that would include and to consider the impact of lights, noise, traffic and social activity on the surrounding neighborhoods. At a subsequent Board meeting on May 17, the board approved the hiring of Rincon Consultants Inc. to prepare a CEQA/EIR report.

Rincon Consultants are currently preparing the Draft Initial Study and Notice of Preparation (NOP), in which it will be determined if there are potential significant impacts to various environmental factors. If the Draft Initial Study determines that there are significant impacts, a full EIR will be developed. Once the Draft Initial Study and NOP are released to the district and the public, there is a 30-day public comment period. We expect to receive the NOP and Draft Initial Study on August 25, and have scheduled a Scoping Meeting with the community on September 7, 2016, at San Marin High School. The purpose of the Scoping Meeting is to gather comments and input on the Draft Initial Study and answer questions. In addition, the Board of Trustees will also discuss the Draft Initial Study and receive input and comments at the Board meeting on September 20, 2016.

It is expected that the Draft Initial Study will determine that a full EIR is necessary.

After receiving input during the Scoping Meeting and subsequent board meeting, Rincon Consultants will then develop the full EIR, which will take several months to complete. After the EIR is completed, there will be a 45 day public comment and a public hearing to gather additional comments and input. Once that is finished, the Board will then be asked to approve and certify the EIR. After that, the Board will consider separately the question of whether to approve the installation of stadium lights at San Marin High School.

13. DISCUSSION/ACTION - 7:55 p.m.

13.a. Approve Revisions to the 2016-2017 Combined General Fund Budget (45-Day Revision)

Nancy Walker, Director, Fiscal Services, reported on the Revisions to the 2016-17 Combined General Fund Budget (45-Day Revision). On June 21, 2016, the Board of Trustees reviewed and adopted the 2016-2017 General Fund Budget. On June 27, 2016, the Governor signed the State Budget. The 2016-2017 Adopted Budget contained minor changes from the budget proposed at the May Revision. Overall, projected revenues increased by \$111,390 and expenditures increased by \$2,942,507. The Adopted budget showed a net increase of \$2,125,208 in the fund balance, which was largely due to the timing of contract negotiations. The revised General Fund budget shows a net decrease of (\$705,909) in the Combined General Fund balance. The Combined General Fund ending fund balance is projected to be \$14,267,778 or 17.4% of the Combined General fund expenditures.

Motion Passed: A motion to Approve Revisions to the 2016-17 Combined General Fund Budget (45-Day Revision) passed by a vote of 6-0, 1. (Trustee Mack Absent) Passed with a motion by Mr. Ross Millerick and a second by Mrs. Shelly Scott.

13.b. Novato Unified School District Response to the 2015-16 Marin Civil Grand Jury Report entitled Marin Public Schools Fail to Beat Bullies that was released on June 9, 2016 - 8:15 p.m.

Leslie Benjamin, Director of Communications and Community Engagement, reported on the Novato Unified School District Response to the 2015-16 Marin Civil Grand Jury Report entitled Marin Public Schools Fail to Beat Bullies that was released on June 9, 2016. Five (5) of the Grand Jury's recommendations have been implemented:

- NUSD has reviewed its policies and procedures to ensure full compliance with the requirements of Seth's law.

- NUSD has reviewed its policies and procedures to ensure that complainants are protected from retaliation and that their identities remain confidential as appropriate.
- NUSD adequately publicizes its anti-bullying policies and procedures through its website, and annually, parents receive a Parent Acknowledgement Form highlighting NUSD's policies including Bullying Harassment BP 5131.2. As NUSD is transitioning to new websites, a direct link to anti-bullying policies and procedures will be on the Parent Page of each school website as well as the District and Student Services webpages.
- NUSD has available on the District website forms and procedures for filing a bullying complaint. As NUSD is transitioning to new websites, a direct link to anti-bullying policies and procedures will be on the Parent Page of each school website as well as the District and Student Services webpages.
- NUSD has reviewed its student and parent education programs to ensure they are relevant and current. NUSD uses the recommended No Bully Solution Team.

One recommendation has not yet been implemented. This recommendation suggests the District's website provide the option to complete and submit a bullying complaint form online. NUSD agrees with this and will develop one by the end of December 2016.

Public Comment:

A community member commended Novato Unified School District for its bullying policies and preventative programs to educate students and families about bullying.
