Compacted Math Class

APPEAL FOR CONSIDERATION FOR CLASS PLACEMENT WITHOUT MEETING CRITERIA

Student Name: _____ Middle School: _____

I am writing to appeal the placement decision of my son/daughter (named above) for (circle one):

Compacted Math 7/8 course

Compacted Math 8/Algebra 1 course

I understand that the primary purposes for establishing criteria for admission to Compacted Math courses are 1) to assist students and parents/guardians in making appropriate educational choices, 2) to provide equitable access to these courses for all students in the district, and 3) to meet student needs. I recognize that my child does not meet the established criteria for the Compacted Math course listed above; however I would like the Appeal Committee to consider placement due to:
